WKA Grade Parent Application

2025 - 2026

Grade Parents are an important part of the Parents' Association. Grade Parents assist the Parents' Association through planning, organization, and implementation of the WKA Parents' Association functions. Depending on the involvement and request of the teacher, one or two Grade Parents are chosen by the PA officers for each grade from submitted applications. Each Grade Parent may earn a $150 Work Credit for the year. Grade Parents will be notified by September 1.

Grade Parent responsibilities are to assist with the preparation of class parties, field trips, assist with Harvest Carnival set up / work sign up / clean up, provide cookies for Christmas Open House, teacher Christmas and birthday gifts, assist with assigned Teacher Appreciation Week meal, work with teacher on Booster Club Auction item, and any other duties that may assist the teacher at his or her request.

Please prayerfully consider volunteering your time, talents, and services. We continue to experience a shortage of volunteers needed to cover these areas to assist in making the school year a success and maintaining a lower tuition for everyone.
